APPRECIATION LETTER

Date: 16-10-2026

TO WHOM IT MAY CONCERN

This is to certify that Mr. Abdul Rahim, CNIC # 42401-6867671-1 serving as Hydrographic Surveyor and Sea Transportation In-Charge with Bahria Foundation, provided valuable hydrographic and marine transportation support during the transportation and relocation of CCDC's drilling rig for the Dolphin X-1 Well Project of Pakistan Petroleum Limited (PPL), Sir Creek Area.

During the project, Mr. Abdul Rahim was responsible for planning, coordinating and monitoring sea transportation operations in the Sir Creek area. His key responsibilities included:

- Conducting hydrographic surveys and planning safe marine transportation routes based on water depths and navigational conditions.
- Serving as Sea Transportation In-Charge, coordinating the movement of the rig, barges and other marine assets.
- Preparing tide tables and providing tidal information for safe and efficient marine operations.
- Preparing monthly ramp tide-time schedules for loading and unloading activities according to tidal conditions.
- Providing navigation, route planning and tidal guidance to support safe and timely marine transportation operations.

Mr. Abdul Rahim demonstrated excellent professionalism, technical competence, dedication and responsibility throughout the assignment. His expertise and support contributed to the safe and efficient execution of marine transportation activities associated with the Dolphin X-1 Well Project.

CCDC sincerely appreciates his valuable services and professional contribution to the project and wishes him continued success in his career.

For and on behalf of CCDC

Name: Bashir Ahmad
Designation: Tool Pusher
